

EXPERIMENTAL MUSICAL INSTRUMENTS QUARTERLY JOURNAL

COMPLETE BACK ISSUES

CD #1: VOLUMES I - VII, JUNE 1985 - JULY 1992

This two-CD package contains all 70 issues of the Experimental Musical Instruments journal on two CDs.

The issues that were contained in Volumes I through VII are on this CD (CD #1).

The issues from Volumes VIII through XIV are on the other CD (CD #2).

You can open and view any of these issues in the usual way, using the file menu in the upper left of your screen.

Before you do that, you may wish to view some of the other files on this CD, since they contain useful information about the CD and how to use it. Open these files from the file menu, or by clicking the bookmarks tab on the left of your screen and clicking one of the bookmarks there.

What's on the CDs:

ABOUT THIS CD: Information on this two-CD package, and how to navigate and use the CDs.

TABLE OF CONTENTS: A listing of all the articles in all the issues.

SEARCHABLE SYNOPSES: Descriptions of the contents of all the articles in a searchable format. Go here to perform text searches to locate articles and references to any topic you choose.

ABOUT EXPERIMENTAL MUSICAL INSTRUMENTS: Information on the Experimental Musical Instruments quarterly journal and organization.

THE ISSUES: The seventy issues are identified in their file names by volume, issue number and date. Volumes I through VII are on this CD (CD #1), and Volumes VIII through XIV can be found on the other (CD #2).
